### Activity-

In music class, we have been traveling through the decades, discovering music of the 50s, 60s, and 70s. In October, we will continue our journey into the 80s, 90s, and 2000s. Students will also be working on rhythm reading skills and listening to Halloween Music, Younger grades, Pre-K to 3rd grade will start preparing for the Christmas Program that will be held on December 14th.

Ms. Allen's art classes have been studying Vincent Van Gogh and Pablo Picasso! We are really enjoying making art inspired by these two amazing artists!!

Coach Griffin's class continues to work out and learn about healthy bodies.

### Kindergarten-

The librarian from Walnut Grove will be coming the third Friday of the month.

### Fifth

Mrs. Todd's room: Thanks to the parents for all you do. We have been working on multiplication, but will start on division. The top 5 AM students will be named after the first nine weeks. Please keep encouraging your children to continue working on their AM scans and complete it in a timely manner. If you have any suggestions for AM rewards, please text via Remind 101.

Mrs. Powell's room: We are working on unit 1 of the I-Ready Book: Key ideas and details in informational text. Last years I-Ready books were sent home, please have them review the information. Nightly, your child's homework is reading 30 minutes of AR. Some students cannot get AR books from the school because of old fines for lost books. Please check to make sure your child can check out books. First period can take AR test each morning from 7:15-7:50, second period from 12:30 to 12:50, and third period from 2:20-2:50. Students need to continue to read, read, read!
